## Arc Infrastructure

### Extension of time for submissions on standard access provisions

The Economic Regulation Authority has extended the time for interested parties to make submissions on Arc Infrastructure's proposed standard access provisions.

Arc has submitted its [standard access provisions](#) to the ERA, as required by section 47A of the Railways (Access) Code 2000. The standard access provisions show the standard terms and conditions that the railway owner want to be included in any access agreement.

The ERA is required to approve the standard access provisions with or without amendment or determine what is to constitute this document.

In this instance, the ERA has extended the time for interested parties to make submissions by an additional two weeks.

### Invitation for submissions

The ERA invites interested parties to make submissions on the Arc's proposed standard access provisions.

Submissions close 4:00pm (WST) Friday, 20 June 2025.

Submissions can be lodged online using the form on our [Current Consultation webpage](#).
